Evaluation of Pies

First Impression: Pre slice score – Includes consistency of crust or topping. After slice score – Based on degree of appropriate runniness, juiciness or firmness. Impression of first taste.

A Closer Look: Flavor – Strength and balance of flavor appropriate for type of pie; balance of sweet and/or tartness. Peripheral flavors should be balanced with main ingredient of pie. Mouthfeel: Appropriate consistency, i.e. thick, thin, smooth, creamy, chalky, mushy, runny, dry, sticky, etc. should be considered when appropriate. Crust – Flaky or mealy. Aftertaste – Pleasant or unpleasant.

Overall Impression: How impressive was it, how appealing and memorable.

Creativity: How much creativity went into this recipe.
